

## **SPECIALLY DESIGNED FOR THE GOLFER WISHING TO PLAY THROUGH THE WINTER**

### **WINTER MEMBERSHIP**

Available to existing Club golfers from October 1st 2009 until March 31st 2010.

Whilst many courses are closed because of waterlogging or are unplayable due to mud, we offer a competitively priced package to allow you to continue playing golf during the Winter.

On our dry, sandy turf we never need to use temporary tees, temporary greens or mats and trolleys can be used throughout the year. Our greens were described by the R&A Agronomist in March 2008 as 'magnificent and some of the best examples of firm, true and well paced putting greens in the UK'. We never close during the Winter except when snow covered.

- There is no Joining Fee.
- You will be able to play anytime including weekends and Bank Holidays.
- You will be able to introduce guests at Member's Guest rate.
- This is an Associate Membership Category and has no voting rights.
- You will be able to play in all medal and stableford events but not Trophy competitions.
- You will have to be interviewed and played in, as normal.

**The subscription is £489\***

***\* This includes an additional 6 months Social Membership from April 1st which will enable you to pay Member's Guest green fees on a further three visits in the summer – a saving of £90***
